THE DEPARTMENT OF EDUCATION OF ONTARIO  
TEACHER'S REPORT  
ON  
INSTRUCTION GIVEN IN ELEMENTARY AGRICULTURE AND HORTICULTURE  
JANUARY—DECEMBER, 1914.

INSTRUCTIONS :

- (1) Teachers desiring help in any phase of the work should write the *Director of Elementary Agricultural Education, Ontario Agricultural College, Guelph.*
- (2) In accordance with the Regulations (see Circular 13) teachers are required to record weekly the work done in order to qualify for grants. Pupils also in the upper classes are to keep records of instruction received and work done; for this separate and uniform note books should be used.
- (3) This report, endorsed by the teacher, is to be transmitted to the Department of Education through the local Inspector. Teachers should arrange to forward it to their Inspectors at the close of the school term before Christmas, along with the Trustees' statement of expenditure.
- (4) The work herein suggested is based on the course outlined in Nature Study. *It is not expected that all the work can be covered.* Teachers will use their own judgment in the choice of topics. The work should bear directly on local interests, and be of a practical character. At least one hour a week is to be given to the work.
- (5) While the records must necessarily be brief, they must indicate clearly *what has been done and how it has been done, e.g. : April 10th—With pupils' help, pruned old apple tree in school yard ; all prepared for work by reading, enquiry and discussion. Pupils recorded work in 'before and after' drawings.*
- (6) Most of the work of instruction must be of necessity with the pupils in the highest classes. It is to be practical as far as possible; merely talking and reading about topics will not answer; observation, investigation and experimenting by the pupils should form a basis for lessons.
- (7) Teachers are recommended to keep a duplicate of this Report for their own or others' guidance in future years. Extra forms may be had on application to the Director.
- (8) To prevent delays, misunderstandings or mistakes regarding grants, teachers leaving in June should take care to leave their records complete, properly endorsed and in safe hands, also to show their new addresses.
